Also, Deputy Chief suggest a Rule 7, however, I believe he meant Rule 10. The Investigator has Rule 2 & 6 which are acceptable as well.

Accused Penalty History

JOHNSON, DANIA	KENNEDY, CHRISTOPH	12-SEP-2014 06:29	Y	N	SUSPENSION 6 Day(s)	I have fully reviewed this investigation. I believe that is has been a thorough investigation, and that the rule violations noted are appropriate. I have reviewed other investigations previously or have become aware of instances in which officers have been the victims of theft from automobile in which a firearm was inadequately secured, resulting in the loss. In those instances it is my understanding that a penalty of a three day suspension as being most common. In this case, lacking significant aggravating information, I find a ten day suspension to be rather steep. I do believe that we must convey a focused message to our officer of the importance of securing firearms; furthermore there is a lack of prudence in a storing a firearm in a vehicle – specifically a Department owned vehicle. Considering these points – I believe that a (6) day suspension is most appropriate. A 6 day suspension coupled with the expense of replacing a firearm carries a significant monetary impact. Finally, the fact this officer has an unsullied disciplinary history further supports the recommendation of a lesser penalty.
JOHNSON, DANIA	RICE, SEAN	23-JUL-2014 07:56			SUSPENSION 10 Day(s)

101 SGT. RICE: Explain how your prescribed duty weapon was stolen on 29 MAY 2014?
102 JOHNSON: I placed the weapon in my messenger bag because I had court that morning. I
103 then went back inside my residence to gather the rest of my things. I then
104 received a knock on my door by a police officer from the 022nd District,
105 identified as Officer STRAKA., telling me that items were thrown on my lawn
106 and my neighbor's lawn. The officer then asked me to check to see if any police
107 related items were missing and to call 911 if that was the case. I checked and
108 found that my prescribed duty weapon was missing. My husband, Marco
109 Johnson, then called 911.
110
111 SGT. RICE: Describe your messenger bag?
112 JOHNSON: Beige and black in color, mesh/nylon material, approximately 12 inches by 12

126 SGT. RICE: At the time of the Theft, was your prescribed duty weapon equipped with a
127 weapon locking device?
128 JOHNSON: No.
129
130 SGT. RICE: Where was your Department covert vehicle parked at the time of the Theft?
131 JOHNSON: In my side residential driveway, South side of the house.
132
133 SGT. RICE: Was the vehicle locked when you left your prescribed duty weapon inside?
134 JOHNSON: Yes.
135
136 SGT. RICE: Did you discover any evidence of damage or tampering to the covert vehicle after
137 learning your prescribed duty weapon was stolen?
138 JOHNSON: No.
139
140 SGT. RICE: If your covert vehicle was locked after you placed your weapon inside, how do

151 SGT. RICE: Identify the involved vehicle?
152 JOHNSON: 2005 Dodge van, 4 doors with a trunk, blue in color with Illinois license plate
153 [REDACTED]
154
155 SGT. RICE: On 29 MAY 2014, did anyone canvass the immediate area after your weapon was
156 discovered missing?
157 JOHNSON: My husband and I did but the results were negative.
158
159 SGT. RICE: Are you aware that Department Directive U04-02 (Department Approved
160 Weapons and Ammunition) requires Sworn members to secure their prescribed
161 duty firearm when the prescribed duty firearm is not on their person?
162 JOHNSON: Yes.
163
164 SGT. RICE: Have you had a registered weapon stolen in the past?
165 JOHNSON: My house was burglarized and three registered weapons were taken, but later
166 recovered. This happened in 2008 maybe. The three weapons were taken from a
167 secured locked box.
168
169 SGT. RICE: You stated that you last saw your prescribed duty weapon in the covert vehicle at
170 0500 hrs. and then went inside to gather additional belongings. How much time
171 elapsed between last seeing your weapon in the rear seat and locking the vehicle's
172 door and returning to your covert vehicle to discover the Theft of your weapon?
173 JOHNSON: I glanced outside the window at approximately 0520 hrs to check on the vehicle.
174 The police officers then knocked on the door at approximately 0530 hrs.
175
176 SGT. RICE: After placing the messenger bag in the rear seat of the covert vehicle, was your
177 weapon exposed?
178 JOHNSON: No. The windows are tinted and the flap on the messenger bag was closed.
179
180 SGT. RICE: Is there anything else that you want to add/clarify to this investigation?
181 JOHNSON: Yes. I generally keep my prescribed duty weapon in my bag because I work in a
182 covert capacity. And it's very hard to conceal a weapon that size when doing
183 undercover work. I did not have my duty weapon on me because I knew I was
184 going to court and I knew I had to go to work in the field after court.
185
186 SGT. RICE: On 29 MAY 2014, did you tell Police Officer STRAKA that your covert vehicle
187 was locked prior to the Theft of your weapon?
188 JOHNSON: Yes.
189
190 SGT. RICE: After reading this statement consisting of [REDACTED] pages and finding it to contain the
191 answers you gave to the questions you were asked, will you sign it?
192 JOHNSON: Yes.

- B. Any other weapon as described in [720 ILCS 5/24-1](#) or [720 ILCS 5/33A-1](#) is strictly prohibited.
- C. While sworn members are permitted to carry firearms during nonduty hours, they are instructed to refrain from doing so when there is a likelihood that they will be consuming alcoholic beverages or medications which may impair their physical and/or mental abilities. Nothing in this policy statement is to be construed as diminishing a sworn member's responsibility to take appropriate police action, which can be as little as summoning the police for help, when observing a crime in progress.
- D. A sworn member will not lend his firearm to any other person nor will a sworn member possess or carry a firearm registered to another person except as authorized by the Deputy Chief, Education and Training Division. During an emergency situation, however, a sworn member may lend his firearm to another sworn member or person who has been summoned to assist him in the performance of his official duty.

NOTE: Members will provide proof of a valid FOID card during the annual prescribed weapon qualification.

- H. Sworn members will register all duty and nonduty firearms with the Department.

III. GENERAL INFORMATION

- A. The prescribed firearm for all sworn members hired on or before 01 December 1991 is a Department approved revolver or semiautomatic pistol. Department members hired on or before 01 December 1991 electing to carry an approved semiautomatic pistol as their prescribed firearm must first successfully complete a firearm transition process.
- B. The prescribed firearm for all sworn members hired after 01 December 1991 is a Department approved semiautomatic pistol.
- C. Department members may transition to a Department approved striker-fired semiautomatic pistol. A transition to a revolver as a prescribed firearm will not be permitted.
- D. Department members will not be required to transition to a new firing system in order to comply with this directive.
- E. Authorized Department members can access current approved Firearms Training and Certification of all members by logging onto the CLEAR system.

IV. AUTHORIZATIONS AND RESTRICTIONS FOR FIREARMS AND EQUIPMENT

The following provisions apply only to firearms intended to be used in the performance of police-related duties:

- A. Uniformed sworn members will:
 - 1. carry their prescribed firearm or alternate prescribed firearm in a Department-approved holster.
 - 2. for exposed firearms, wear a Department-approved holster attached only to the trouser or equipment belt.
 - 3. not carry more than two exposed firearms.
- B. When in citizen's dress, members will carry their firearms and extra ammunition in Department-approved holsters and ammunition carriers.
- C. The appropriate bureau chief or exempt member of the Office of the Superintendent may authorize the use of additional weapons / ammunition by specialized units within the Department. This authorization will be in the form of a To-From-Subject report. Copies of the authorization will be maintained in each bureau with one copy forwarded to the Education and Training Division.

NOTE: The To-From-Subject report will provide justification for the use of the additional weapons/ammunition and a recommended certification procedure to be administered by the Education and Training Division.

V. FIREARM TRANSITION PROCESS

- A. Department members who elect to transition from their prescribed revolver to a striker-fired semiautomatic firearm will be required to successfully complete a firearm transition process as determined by the Deputy Chief, Education and Training Division.

NOTE: Department members who elect to transition from their prescribed revolver to a semiautomatic firearm as their prescribed weapon will not be allowed to revert to the revolver as their prescribed weapon once they complete the transition process. However, Department members will be approved to utilize their revolver as an alternate prescribed weapon or auxiliary weapon upon completion of existing training.

- B. Department members who elect to transition from their prescribed CFS or DAO semiautomatic pistol to a striker-fired semiautomatic firearm will be required to successfully complete a firearm transition process as determined by the Deputy Chief, Education and Training Division.
- C. Department members who elect to carry a striker-fire semiautomatic pistol as an auxiliary or alternate weapon but do not elect to transition from their prescribed weapon must comply with all the requirements of the transition process and attend the appropriate training.

NOTE: The Education and Training Division will notify Department members when the firearm transition process is available. All transition courses will be available on a voluntary basis during off-duty hours.

VI. REPLACEMENT, TRANSFER, AND REGISTRATION OF FIREARMS; REPORTING OF LOST OR STOLEN FIREARMS/WEAPONS

- A. Legislation

1. [Chapter 430, Article 65](#) of the Illinois Compiled Statutes, known as the Firearm Owners Identification Card Act, states that no person may acquire or possess any firearm or firearm ammunition without having in his or her possession a current Firearm Owner's Identification Card (FOID).
2. Provisions of this article do not apply to law enforcement officials while engaged in their official duties.
3. However, based upon the language of the statute and case law, a law enforcement officer violates the Firearm Owner's Identification Card requirements if he or she is in possession of a firearm without a Firearm Owner's Identification Card while performing a task not related to his or her duties.

NOTE: For example, a law enforcement official who is shopping for personal groceries, regardless of duty status, is not engaged in the operation of his or her official duties, and therefore would violate the Firearm Owner's Identification Card requirements of Section 65/2 of The Firearms Owner's Identification Card Act.

4. Department policy requires all members to have a valid FOID card and possess the FOID card while on-duty.

- B. The Gun Control Act of 1968 (GCA), as amended by the Omnibus Consolidated Appropriations Act of 1997, makes it unlawful for any person convicted of a misdemeanor crime of domestic violence to ship, transport, possess, or receive firearms or ammunition. The GCA further prohibits persons from selling or otherwise disposing of a firearm or ammunition to any person known to have been convicted of a misdemeanor crime of domestic violence, or to anyone who they have reasonable cause to believe has been convicted of a misdemeanor crime of domestic violence. This prohibition does apply to all law enforcement officers.

C. Prescribed Firearms/Temporary Replacement

1. Temporary replacement of a prescribed firearm may be obtained if:
 - a. the sworn member's prescribed firearm is lost, stolen, unserviceable, or has failed to pass inspection. With the approval of the unit commander, station supervisor, designated unit supervisor, or the firearms range officer, the affected member may submit a request for a temporary replacement firearm and ammunition by submitting a To-From-Subject report approved by his or her unit commanding officer and all related documentation (such as case reports, gunsmith repair receipts, purchase orders, etc.) to the Deputy Chief, Education and Training Division.
 - b. the sworn member's prescribed firearm is to be examined by the Forensic Services Section. The member may request a temporary replacement of a prescribed firearm, if necessary, by:
 - (1) generating a To-From-Subject report requesting the temporary replacement and obtaining the station supervisor's or designated unit supervisor's written approval.
 - (2) submitting the approved To-From-Subject report, along with copies of the Tactical Response Report ([CPD-11.377](#)) and the Property Inventory Report (CPD-34.523) listing the member's prescribed firearm, to the Deputy Chief, Education and Training Division.
2. A sworn member who has been issued a temporary replacement firearm will be responsible for the proper care, maintenance, and return of the firearm to the Education and Training Division. If a member must retain the replacement firearm for more than thirty days, the member will appear in person at the Education and Training Division with the loaned firearm and submit a To-From-Subject report with the station supervisor's or designated unit supervisor's approval explaining the need for an extension.
3. The Firearm Loan Receipt ([CPD-63.344](#)) will be prepared when a replacement firearm is issued.

D. Replacement Ammunition

1. Each district is supplied 200 of the following Department-approved duty ammunition cartridges:
 - a. .38 Special +P,
 - b. 9mm,
 - c. .40 caliber S&W,
 - d. .45 caliber ACP.
 - e. 5.56mm

NOTE: Each district will be supplied with 50 rounds of OO buck shotgun ammunition.

2. The designated unit supervisor is responsible for the security and issuance of this ammunition. Additional cartridges will be requested from the Firearms Training Unit, Education and Training Division.
3. Any member, regardless of assignment, may obtain replacement ammunition for Department-issued cartridges that are lost, stolen, damaged, defective, or expended in the line of duty.
4. Whenever the replacement of ammunition is necessary, the requesting member will submit a copy of a Tactical Response Report and/or other related documentation to the designated unit supervisor from the district of occurrence.

5. The designated unit supervisor will note the number and type of ammunition issued, sign his or her name, and enter his or her rank on the reverse side of the report(s). The report(s) will be forwarded to the issuing district commander.
6. Members will follow established material requisition procedures and submit copies of the Tactical Response Report and/or related documentation when requesting replacement of expended, damaged, lost, stolen, or defective Department ammunition for the district supply.

E. Purchase of Firearms from a Dealer

1. A sworn member who elects to purchase a duty-related revolver, semiautomatic firearm, or high-capacity magazine and requests a waiver of the required waiting period will complete one copy of the Certifying Statement - Firearms form ([CPD-11.702](#)) and present it to the firearms dealer at the time of purchase.

NOTE: Firearms dealers are not required to accept the Certifying Statement-Firearms and may require a sworn member to abide by the waiting period.

2. The Certifying Statement - Firearms form will be retained by the firearm dealer as verification of the exempt status of the sworn member.

F. Sale or Transfer of Firearms Between Sworn Members

1. Department members must comply with all legal requirements before they sell, transfer, or dispose of a firearm or other deadly weapon.

While sworn members are permitted to carry firearms during nonduty hours, they are instructed to refrain from doing so when there is a likelihood that they will be consuming alcoholic beverages or medications which may impair their physical and/or mental abilities. - D. A sworn member will not lend his firearm to any other person nor will a sworn member possess or carry a firearm registered to another person except as authorized by the Deputy Chief, Education and Training Division. Department members hired on or before 01 December 1991 electing to carry an approved semiautomatic pistol as their prescribed firearm must first successfully complete a firearm transition process.
- B. The prescribed firearm for all sworn members hired after 01 December 1991 is a Department approved semiautomatic pistol.

IV. AUTHORIZATIONS AND RESTRICTIONS FOR FIREARMS AND EQUIPMENT

The following provisions apply only to firearms intended to be used in the performance of police-related duties:

- A. Uniformed sworn members will:
 - 1. carry their prescribed firearm or alternate prescribed firearm in a Department-approved holster.
 - 2. for exposed firearms, wear a Department-approved holster attached only to the trouser or equipment belt.
 - 3. not carry more than two exposed firearms.
- B. When in citizen's dress, members will carry their firearms and extra ammunition in Department-approved holsters and ammunition carriers.
- C. The appropriate bureau chief or exempt member of the Office of the Superintendent may authorize the use of additional weapons / ammunition by specialized units within the Department. This authorization will be in the form of a To-From-Subject report. Copies of the authorization will be maintained in each bureau with one copy forwarded to the Education and Training Division.

NOTE: The To-From-Subject report will provide justification for the use of the additional weapons/ammunition and a recommended certification procedure to be administered by the Education and Training Division.

V. FIREARM TRANSITION PROCESS

- A. Department members who elect to transition from their prescribed revolver to a striker-fired semiautomatic firearm will be required to successfully complete a firearm transition process as determined by the Deputy Chief, Education and Training Division.

VI. REPLACEMENT, TRANSFER, AND REGISTRATION OF FIREARMS; REPORTING OF LOST OR STOLEN FIREARMS/WEAPONS

- A. Legislation

1. [Chapter 430, Article 65](#) of the Illinois Compiled Statutes, known as the Firearm Owners Identification Card Act, states that no person may acquire or possess any firearm or firearm ammunition without having in his or her possession a current Firearm Owner's Identification Card (FOID).
2. Provisions of this article do not apply to law enforcement officials while engaged in their official duties.
3. However, based upon the language of the statute and case law, a law enforcement officer violates the Firearm Owner's Identification Card requirements if he or she is in possession of a firearm without a Firearm Owner's Identification Card while performing a task not related to his or her duties.

NOTE: For example, a law enforcement official who is shopping for personal groceries, regardless of duty status, is not engaged in the operation of his or her official duties, and therefore would violate the Firearm Owner's Identification Card requirements of Section 65/2 of The Firearms Owner's Identification Card Act.

4. Department policy requires all members to have a valid FOID card and possess the FOID card while on-duty.

- B. The Gun Control Act of 1968 (GCA), as amended by the Omnibus Consolidated Appropriations Act of 1997, makes it unlawful for any person convicted of a misdemeanor crime of domestic violence to ship, transport, possess, or receive firearms or ammunition. The GCA further prohibits persons from selling or otherwise disposing of a firearm or ammunition to any person known to have been convicted of a misdemeanor crime of domestic violence, or to anyone who they have reasonable cause to believe has been convicted of a misdemeanor crime of domestic violence. This prohibition does apply to all law enforcement officers.

C. Prescribed Firearms/Temporary Replacement

1. Temporary replacement of a prescribed firearm may be obtained if:
 - a. the sworn member's prescribed firearm is lost, stolen, unserviceable, or has failed to pass inspection. With the approval of the unit commander, station supervisor, designated unit supervisor, or the firearms range officer, the affected member may submit a request for a temporary replacement firearm and ammunition by submitting a To-From-Subject report approved by his or her unit commanding officer and all related documentation (such as case reports, gunsmith repair receipts, purchase orders, etc.) to the Deputy Chief, Education and Training Division.
 - b. the sworn member's prescribed firearm is to be examined by the Forensic Services Section. The member may request a temporary replacement of a prescribed firearm, if necessary, by:
 - (1) generating a To-From-Subject report requesting the temporary replacement and obtaining the station supervisor's or designated unit supervisor's written approval.
 - (2) submitting the approved To-From-Subject report, along with copies of the Tactical Response Report ([CPD-11.377](#)) and the Property Inventory Report (CPD-34.523) listing the member's prescribed firearm, to the Deputy Chief, Education and Training Division.
2. A sworn member who has been issued a temporary replacement firearm will be responsible for the proper care, maintenance, and return of the firearm to the Education and Training Division. If a member must retain the replacement firearm for more than thirty days, the member will appear in person at the Education and Training Division with the loaned firearm and submit a To-From-Subject report with the station supervisor's or designated unit supervisor's approval explaining the need for an extension.
3. The Firearm Loan Receipt ([CPD-63.344](#)) will be prepared when a replacement firearm is issued.

D. Replacement Ammunition

1. Each district is supplied 200 of the following Department-approved duty ammunition cartridges:
 - a. .38 Special +P,
 - b. 9mm,
 - c. .40 caliber S&W,
 - d. .45 caliber ACP.
 - e. 5.56mm

NOTE: Each district will be supplied with 50 rounds of OO buck shotgun ammunition.

2. The designated unit supervisor is responsible for the security and issuance of this ammunition. Additional cartridges will be requested from the Firearms Training Unit, Education and Training Division.
3. Any member, regardless of assignment, may obtain replacement ammunition for Department-issued cartridges that are lost, stolen, damaged, defective, or expended in the line of duty.
4. Whenever the replacement of ammunition is necessary, the requesting member will submit a copy of a Tactical Response Report and/or other related documentation to the designated unit supervisor from the district of occurrence.

01 JUL 2014
Log No. 1069455

Upon being assigned to this investigation, the Reporting Sergeant (R/Sgt) received the Face Sheet for Log #1069455, the Initiation Report submitted by Sergeant John LOONEY #817 (022) and the General Offense Case Report [REDACTED] completed by Police Officer Scott STRAKA #2767 (022). The referenced reports documented the following information (Att. #1-7).

On 29 MAY 2014, Police Officer STRAKA responded to an OEMC assignment of a "suspicious vehicle" at [REDACTED]. Upon his arrival at that address, Police Officer STRAKA observed that the doors to a parked van were opened and personal items were scattered around the lawn. The vehicle was described as a 2005 Dodge van, blue in color, bearing Illinois license plate [REDACTED] (Att. #4-5).

Police Officer STRAKA reported that after contacting off-duty Police Officer Dania JOHNSON # 8037 (191) at the residence located at [REDACTED] he was notified that the van was a Department covert vehicle (Vehicle #1657) assigned to Unit 191. At the conclusion of an inventory of police related items from inside the van, Police Officer JOHNSON discovered that a bag containing her prescribed duty weapon was missing (General Offense Case Report [REDACTED]). Police Officer JOHNSON's prescribed duty weapon was identified as a Smith and Wesson, .357 caliber revolver, Model 65, chrome finish, Serial # [REDACTED] (City of Chicago Gun Registration # [REDACTED] (Att. #4-5).

Based on the facts of this incident, Sergeant LOONEY contacted the Independent Police Review Authority (29 MAY 2014 at 0926 hrs.) and initiated Log #1069455. On 29 MAY 2014, the 022nd Police District also created Administrative Message #213414 notifying Department members of the officer's stolen weapon (Att. #4,8).

On 01 JUL 2014, the R/Sergeant interviewed Police Officer JOHNSON at the Bureau of Internal Affairs. During the interview, Police Officer JOHNSON was accompanied by attorney Erik BORCZON. The following is a summarization of the interview (Att. #10-11).

On 29 MAY 2014 at 0500 hrs, Police Officer JOHNSON reported that she placed a messenger style bag on the rear seat of her Department covert vehicle. The bag, which was closed but not locked, contained Police Officer JOHNSON's prescribed duty weapon. The bag was described as being beige and black in color, made from a nylon/mesh material and was 12 inches high by 12 inches wide. Police Officer JOHNSON reported that her Department vehicle was parked on the side driveway of her residence, located at 9647 So. Vanderpoel Ave. After locking the vehicle, Police Officer JOHNSON relocated to her residence to gather additional belongings.

At approximately 0520 hrs, Police Officer JOHNSON reported that she glanced at the Department vehicle from inside of her residence and did not observe any irregularities. Police Officer JOHNSON stated that at approximately 0530 hrs, Police Officer STRAKA arrived at the residence and informed her that the doors to the Department covert van were open and miscellaneous items were scattered across the lawn. Police Officer STRAKA informed Police Officer DANIA to re-contact OEMC if she determined that any police related items were missing (Att. #11).

INVESTIGATIONS DIVISION
General Investigations Section

01 JUL 2014
Log No. 1069455

After Police Officer STRAKA left the residence, Police Officer JOHNSON discovered the bag containing her prescribed duty weapon was missing from inside of the Department covert vehicle. At that time, Police Officer JOHNSON's husband [REDACTED] re-contacted OEMC to request police assistance. Upon returning to the residence, Police Officer STRAKA completed a case report to document the Theft of Police Officer JOHNSON's prescribed duty weapon (Att. #7,11).

Police Officer JOHNSON acknowledged that she did not observe any signs of damage or tampering to the vehicle after the discovery of the Theft. Police Officer JOHNSON believed that since the Department vehicle was locked prior to the Theft of her weapon, the unknown offender may have used a slim jim, a coat hanger or a master key FOB to gain entry into the van. Police Officer JOHNSON also confirmed that an Evidence Technician was not requested to process her Department vehicle on 29 MAY 2014 (Att. #11).

During the course of this investigation, the R/Sergeant interviewed Police Officer JOHNSON and also reviewed the Initiation Report and General Offense Case Report included with the investigative packet. Log #1069455 was initiated in response to Police Officer JOHNSON reporting that her prescribed duty weapon was stolen from a Department vehicle on 29 MAY 2014 (Att. #4,5,11).

During her interview at the Bureau of Internal Affairs, Police Officer JOHNSON admitted that her prescribed duty weapon was placed in an unlocked bag and left on a seat in a parked vehicle. Police Officer JOHNSON also acknowledged that the vehicle with her prescribed duty weapon was left unattended for at least 30 minutes on 29 MAY 2014 (Att. # 11).

Although Police Officer JOHNSON reported that her vehicle was locked prior to the Theft, the investigation has concluded that a firearm left on the seat of an unattended vehicle and out of the view of a Department member does not constitute a properly secured weapon. Therefore, Police Officer JOHNSON violated Department Directive U04-02, titled "Department Approved Weapons and Ammunition," which mandates that "Sworn members will secure their prescribed duty firearm when the prescribed duty firearm is not on their person" (Att. #11-12)

Based on the testimony of Police Officer JOHNSON and the circumstances surrounding the reported Theft, the R/Sergeant has determined that there is credible evidence to [REDACTED] the allegation that Police Officer JOHNSON failed to properly secure her prescribed duty weapon on 29 MAY 2014 (Att. #13-14)
